ASSOCIATED RADIOLOGISTS, P.A. FINANCIAL POLICY

Associated Radiologists, P.A. is dedicated to providing the best possible care and service to you and your family. Your complete understanding of your financial responsibilities is an essential element of care and treatment.

It is your responsibility to know your insurance coverage benefits and present your insurance card at each visit. Please notify our office if your insurance coverage changes.

Patients with Scheduled Appointments

Once your appointment is booked, we will attempt to verify your coverage/benefits with your insurance carrier. This will take the form of a standardized electronic request for benefit information with your carrier. We typically receive insurance verification information from the carriers within a few hours of our request. You will be contacted by our office if our initial verification attempt is unsuccessful.

Walk-in Patients

Upon arrival at one of our Imaging Centers, you will be requested to supply complete insurance information (or self pay status) to our receptionist. We will then do an electronic insurance verification request based on the information supplied by you.

Payment is required at the time of service

Our electronic eligibility verification requests to your insurance carrier will focus on the **co-payment** amounts due for our radiologic services. You will be requested to pay the applicable **co-pay amount** specified by your carrier for the scheduled examination. Co-pays are patient out-of-pocket costs associated with office visits. You will be billed for any co-insurance or unsatisfied deductible amounts once your insurance carrier has considered our claim for the services rendered.

We have a fee schedule applicable to those patients without insurance coverage. Please notify the scheduling department or front desk if you are a self-pay patient. You will then be advised as to the cost of the exams scheduled to be performed.
